اَلحَمدُللّٰہِ عَزَّوَجَلَّ Madani work of collecting Donations is carried out during the month of Ramadan- ul-Mubarak and these "Madani donations" are fuel for Dawat-e-Islami's activities, therefore collecting donations is one of our prime responsibilities.

Attar's Pray! *"One who extremely struggles for collecting Madani Donations, O Allah May he will not be died unless he/she would have seen sweet Madinah."* (Madani Channel: Madani Muzakara: episode # 397)

Madani environment). Foreigners should set the amount according to their currency. .(These forms (from zeli to world level) are enclosed).

(2) Collection of Madani donations should be carried out as following:

i. Firstly contact those Islamic sisters who gave madani donations each year, How much will they increase this year?

ii. Then make list of those Islamic sisters who came in contact during 12 months and make individual effort on them for donating madani donations.

☆ If there is any such responsible Islamic sister who was performing madani activites, but now a days does not have any responsibility due to any illness/trouble or compulsion then specially visit them during the month of Rajab-ul-Murajjab and make persuasion for collecting madani donations and assign targets because such islamic sisters can collect from others too. ☆ Responsible islamic sister of Majlis-e-Rabita (Area to country level) should make individual efforts in regard of Madani Donations on

personalities who have Madani mindset. All Responsible Islamic sisters of Majlis-e-Rabita (Division level) should assign target to Responsible Islamic sisters of Majlis-e-Rabita (Area level), also guide them about the methods of achieving their targets. For example: Make a list of area wise personalities and arrange meeting with them and convince them for donating Madani donations. (Remember! donations collected by Responsible Islamic sisters of Majlis-e-Rabita (area to kabina level) will be submitted to Responsible Islamic sisters of relevant zeli Halqa)

v. Narrate deterioratin of society for example stealth, murder, fashion, misbehaving with parents etc.

vi. Responsible islamic sisters should remove their hesitation and do this madani work for seeking the pleasure of Allah and as sadqa-e-jariya for them and their parents. (All these madani pearls should be included in speech). Reading, listening and delevering Speech from Bahar-e-Shariat part-5 chapter "Sadqat and Nafl" , booklet of Aala Hazrat "Rah-e-Khuda main kharch karnay ka sawab" and published books of Maktabat-ul-Madinah named "Questions and answers about donations" , "Ziya-e-Sadqat" and "Faizan-e-Zakat" is quite fruitful in this regard.

☆ Also make contacts particularly with all Responsible islamic sister and particularly Kabina and Division level Responsible Islamic sister and Responsible islamic sister of Jami'a-tul-Madina (Lilbanat), Madarsa- tul-Madinah (Lilbanat), Dar ul Madinah (Lilbanat) and Taweezat-e- Attaria by telephone or by meeting personally and persuade them about achieving their targets.(Remember! that the madani donations received by these Responsible islamic sisters will not be counted in target)

Helpful Madani Pearls for collecting Madani Donations

﴾1﴿ Dawat-e-Islami recievs three types of donations.(1) wajiba (2)Nafila (3)Maddat Makhsosa.

In donations wajiba, Zakat, Fitra, Ushr, expiration of oath, Fidya for Fasts, amount of wajiba free and amount of sadqa of Hajj and Umrah are also included.

Donations of Nafila includes sadqa, hadya, charity, skins, the amount given instead of skin (of animals for sacrifice, Aqeeqa, and sadqa) and amount of sold skin.

Maddat-e-Makhsosa includes donated amount specified for Masjid, Jamiah, Madrasa, Faizan-e-Madinah, constructions, Langer-e-Razawiyyah.

☆ If any islamic siter gives donation for maddat-e-makhsosa (specific Masjid, specific Madrasa,specific Jamiah or specific constructions etc) that can be received but remember to keep the Maddat-e-Makhsosa, Maddat-e-Wajiba, Maddat-e-Nafila should be kept separately from each othe and make their separate slips so that they could not be mixed. If it is possible easily then take full authority, e.g, if any islamic sister donates for Faizan-e-Madinah then take full authority from her otherwise list them in the column of maddat-e-makhsosa (with currency and amount).

- ☆ Zakat is commenly paid as Zakat but some islamic sisters pay Zakat with some specificity, e.g, Jamiah, Madrasa etc. In this case, madd and specificity both should be written with complete details on slip.
- ☆ Do not recieve zakat, Fidyah or any other wajiba in account of langer-e-razawiyyah or do not persuade for it. Recieve Nafila for Langer-e-Rzawiyyah. Because rich and poor all eat in Langer-e-Rzawiyyah. Madani donations collected for "Langar-e-Razawiyya" (sahari & iftari etc.) should be submitted according to organizational method to responsible Islamic sister of kabin majlis and she should submit to Responsible islamic brother of kabina through her mehram for submitting to "Majils-e-Maliyyat".
- ☆ Do not persuade for paying Zakat or any other Wajiba for construction of Masjid and Madaris.
- ☆ The amount for Dam of Hajj and Umrah should not be collected because it should be paid in Haram Sahreef.
- ☆ If sacrifice is obligatory then sacrifice is done in sacrifice days, any other thing cannot be alternate of this. e.g. to give goat or its price in sadqa is not enough.(booklet "Piebald horse rider") thus, donot recieve any amount in this account in sacrifice days also persuade them to take shara'e guidance from Dar-ul-Ifta Ahl-e-Sunnat. The amount can be recieved for lost sacrifice equal to amount of one living goat.
- ☆ If you received donations as wajiba in account of expiration of oath or fasting, mannat and fidyah etc also receive complete details about it e.g (Kaffarah for how many oath or fasts are? How many salah or fasts are for fidyah? Did you swear for mannat etc) also write the phone number of donor on the slip so that she can be contacted if needed.

☆ If you received the donations in account of expiration of oath then remember to receive 10 sadqa-e-Fitr for one swear, one sadqa-e-Fitr is equal to1920 gram (80 gram less in 2 kilo) wheat or its flour or its price, don't receive less than it otherwise it will not be paid even if anybody gives more, e.g, if 100 Rupee is fixed for one sadqa-e-Fitr and one gives 112 or 126 then it can be received.

☆ In the same way, If you receive the donations in account of kaffara for fast then remember to receive 60 sadqa-e-Fitr for one fast.

☆ If you receive donations in account of mannat also recieve complete details about it e.g what Mannat was asked?etc and write on the slip so that donations can be used according to sharae guidance because some mannat are wajib and some are Nafl.

﴾2﴿ If gold or silver is recieved in donations wajiba or Nafila then submit in the form as received and receive slip as well.

☆ If any material which has value and cost and is useable, e.g, Food and drinking things etc can be received as donations Wajiba or Nafila, in this situation also submit the thing as received.

﴾3﴿ If anybody gives cash of his sold Usher, it can be received but wheat received in Usher cannot be sold before performing Hilah.

﴾4﴿ If anybody gives Prize bond in Madani Donations, it could be accepted. Remember! Prize bonds are equivalent to cash. Save them like cash write bond number and amount per bond while filling cash slip and responsible should submit the bond rather make it cash herself.

﴾5﴿ Chcque can be received for madani donations weather sadqat-e-Wajiba or Nafila but make the chaque crossed for Dawat-e-Islami and submit the cheque to responsible.

☆ If you recieve the chaque in account of wajiba from anyone then inform them that your Wajibat will be paid within 15 to 20 days in case of being cleared in bank account of Dawat-e-Islami.

☆ Weather donations are recieved as chaque or cash, do not transfer donations in your accuont or in any other's account in both conditions, because it is not allowed according to shara' and organization.

☆ If any islamic sister asks for details of accounts then must provide details of Wajiba and Nafila accounts separately with explanations. The details about Wajiba and Nafila accounts of Dawat-e-Islami are as follows:

Purp-ose	Bank	Branch Code	Branch	Account No	Title of Account	Swift Code
wajiba	MCB	0063	Cloth Market Karachi	0388514411000260	DAWATEISLAMI	MUCBPKKA

Langar-e-Razawiyya	UBL Ameen	0891	Main Branch M.A Jinnah Road Karachi	010-0952-7	DAWATEISLAMI LANGER-E-RAZAWIA	UNILPKKA

Also make mind that if you transfer/online/deposit any donation in relevent account specially in Wajiba account then inform through phone or email on donations@dawateislami.net or sms on 03158272203 that how much amount? On which date? In which account? And of which account you have submitted? so that your Zakat and other Wajibat can be paid on time, if you inform late then your Zakat may be paid late and late paying of Zakat is sin. Remember! your Wajibat will be paid within 15 to 20 days in case of being cleared in bank account of Dawat-e-Islami. اِنْ شَاءَ اللّٰه عَزَّوَجَلَّ

﴾6﴿ In all columns except the column of "Complete Authority" mention the amount if it is given for that cause particularly. For example: islamic sister donate for Madani Channel but afterwards she agreed to give for any good purpose willingly then mention it in the column of "Complete Authority." (Remember! In case of Zakat & Fitra, Complete Authority can neither be taken nor be given)

﴾7﴿ If any islamic sister gives donations in account of "Faizan-e-Jamal-e-Mustafa", send that to islamic sister of Kabina Majlis Mushawrat according to organizational procedure and she should send to responsible islamic brother of Kabina and receive slip.

﴾8﴿ At the time of receiving madani donations for Dawat-e-Islami, all the details (name, phone number, address, e-mail address etc) must be received and circle the accounts (maddat) written on slip. Remember! your little mistake can make void the Zakat and Fitra of someone. Thus, Maddat should be note down in the slip and also in your notebook so that any possibility of mishandling of Maddat could be avoided. Write the phone number of donor in the slip with signature so that any required details can be taken if needed, in the same way if any islamic sister submits donations of any other then take information of both.

☆ Give slips of received donations to everybody. If anybody says that she does not need and she believes in Dawat-e-Islami then also make mind to give that in this way your message can be reached to the many members of family also give booklet of Maktaba-tul-Madina if possible.

﴾9﴿ Don't collect money for Madani Qafila, if they insist then request them to give to Responsible Islamic brother of Qafila through their maharim

﴾10﴿ Donot make individual effort on bad-mazhab for madani donations (Zakat, Fitra, Ushr), but if they give their selves then could be received.

﴾11﴿ If non-muslims want to give donations, it should not be received because no help can be taken from non muslims in preaching of Islam.

﴾12﴿ In the column of the total amount, write in words i.e twenty six hundred and in column of in figures write 2600/=

﴾13﴿ Donations collected for Dawat-e-Islami are not allowed to spend for any personal matters of your own or any other's according to shara'i and organizational procedures. If it had done then repenting is obligatory, and tawan will also be applied.

O, Allah عَزَّوَجَلَّ, Giv us consistency in madani environment of Dawat-e-Islami and make us ready for doing madani work of Dawat-e-Islammi every time.

Important MadaniTasks to be done before submitting Madani donations(Month of Ramadan)

﴾1﴿ Bind same valued currencies with help of rubber band and mention the number of notes on the top with pencil. For example: if there are 7 notes of 1000/= then write down "7" on the top most note in the bundle. Likewise if there are 6 notes of 500/= then write down "6" on the top most note in the bundle and if there are 90 notes of 100/= then write down "90" on the top most note in the bundle. Then write down details on separate paper as follows:-

1000 rupee notes	x	7 in number	= 7000/-
500 rupee notes	x	6 in number	= 3000/-
100 rupee notes	x	90 in number	= 9000/-
Total amount			= 19,000/-

﴾2﴿ Some notes might have two sizes, so keep same sized notes together. For example keep large sized 100/= notes together and small sized together.

﴾3﴿ While submitting Madani Donations, also submit the written detailsof categories in which donations are received For example: total madani donations collected are 19000/= then its details of categorieswill be as follows:

For madani channel	1064/=
For any Masjid	1936/=
For Jamia	1000/=
For Dar-ul-Madinah	1000/=
With complete authority	3000/=
Total Madani donations	**19000/=**

﴾4﴿ If amount of madani donations is in shape of coins, submit it after changing in notes.If notes are of small value then change it into large valued notes.For example if there are 5 notes of 1000/= then it is better to change these into one note of value 5000/=.

﴾5﴿ Collectors should not only trust on written details, count carefully themselves and recheck.

اَلْحَمْدُ لِلّٰهِ رَبِّ الْعٰلَمِیْنَ وَالصَّلٰوۃُ وَالسَّلَامُ عَلٰی سَیِّدِ الْمُرْسَلِیْنَ اَمَّا بَعْدُ فَاَعُوْذُ بِاللّٰهِ مِنَ الشَّیْطٰنِ الرَّجِیْم ط بِسْمِ اللّٰهِ الرَّحْمٰنِ الرَّحِیْم

Madani Pearls for Re-checking Of Madani Donations

﴿1﴾ Amount written in paper of area level, total donations submitted weekly should be summed up and checked the total. And it is better to summed check twice and thrice. Two or three islamic sisters should make arrangement that each of them summed up the amounts, and then check the total of each other, i.e. every sister should check every paper carefully. If there is any difference found,re-summed it again. If difference could not be resolved then ask respectiveResponsible Islamic sister of Division Level and make rectifications accordingly. Because ifany mistake would be in area level paperthen, it will persist in above levels aswell. So to avoid this problem check correctly the area level paper.

﴿2﴾ If there is no signature in any receiving paper, ask the reason from relevant responsible Islamic sister of Division Level and attach the explanation paper with the form. If the signatures are not present in two or three weeks, highlight the column and mention the reason in it.

﴾3﴿ Consider following Madani Pearls to prepare file to be presented to Responsible Islamic brother ofMajlismadani work for Islamic sisters (Kabina Level). Also request him to present this file to Responsible Islamic Brotherof Majlismadani work for Islamic sisters (Kabinat Level).

i. Attach plastic pockets in the file according to number of divisions and attach a plastic pocket for kabina form.

ii. Place kabina report in first pocket.

iii. Then place each division's reports in pocketsseparately in such a manner that there must be division form on the top then arrange areas' forms sequentially as mentioned in division form.

iv. Paste sticker on file cover and mention, "Record of Madani Donations of Kabina_____ year_____."

v. Make a powder copy of this file, so that KabinaMajlis-e-Mushawrat responsible islamic sister could keep as record.

Announcement to be made in the second week of Rajab, Shaban and Ramadan

Dear Islamic sisters! According to figures till Ramzan ul Mubarak 1435/ 2014, under the supervision of Dawat-e-islami, all around Pakistan, in 347 jami'aat-ul-Madina (residential and non residential, alsmost 20,173 students) ﴾thousands of islmaic brothers are studying to become sholar ('aalim and 'aalima)﴿ which expenses are 66,16,70,000 rupees, M**adarasa-tul-Madina** ﴾ residential and non residential, alsmost 1,01,410 students are studying hifz and nazra free of cost﴿ which annual expenses are 69,68,23,128 rupees, M**adani channel** (which is reforming uncountable people worldwide) which daily expenses are 1.5 million rupees, while monthly expenses are 45 million rupees, **Darul Madina, Darul ifta ahl-e-Sunnat, Al-Madina-tul-Ilmiya, Majlis-e-maktobat-o-taweezat-e-Attaria** (which is serving millions of people monthly), construction and management expenses of **Madani marakiz** (faizan-e-madina) and **masajid sehra-e-Madina,** Madani training centers, different training courses (farz uloom course, imamat course, madani tarbiyati course, madani Qafila course, Qufl-e-Madina course, faizan-e-islam course) weekly congregation, sacred nights (shab-e-milad , 11ven shareef, shab-e-mairaj, shab-e-baraat, 27th night of Ramzan-ul-mubarak), congregational I'tikaaf (30 and 10 days), congregations of Islamic sisters etc there are almost 96 departments working which activities need huge amount of money for running.

Dear Islamic sisters! Rajaba-ul-Murajjab, Sha'ban-ul-Mu'azzam and Ramazan-ul-Mubarak have opportunities of collecting donations, so start struggle from today to donate not only your zakat, fitra, madani donations, sadqaat and khayraat but also persuade others to donate for strengthening and development of Madani works. Donations are one of the most intensive requirement of today. As beloved Prophet صَلَّى اللّٰهُ تَعَالٰى عَلَيْهِ وَآلِهٖ وَسَلَّم stated that: in later era, even religious work will be done with Dirham (silver coins) and Dinaar (gold coins)." *(Al-mu'jam-ul-kabeer jild-20, safha 279, Hadees 660, Dar-e-ahya-ut-turas al-arabi bairoot)*

Sometimes islamic sisters feel hesitation in collecting donations, while collecting donations is proven by practices of our beloved Prophet صَلَّى اللّٰهُ تَعَالٰى عَلَيْهِ وَآلِهٖ وَسَلَّمHoly prophet صَلَّى اللّٰهُ تَعَالٰى عَلَيْهِ وَآلِهٖ وَسَلَّم made persuasion for spending in the path of Allah at the time of battle of Tabook, construction of Masjid-e-Nabawi, purchasing of Beer-e-Rooma etc.

Dear Islamic sister! Be courageous, remove hesitation and collect Madani donations enthusiastically for propagation of Sunnah.

Hazrat Sayyadna Rafehy bin Khadij رَضِیَ اللّٰهُ تَعَالٰى عَنْهُ narrated that the Holy Prophet صَلَّى اللّٰهُ تَعَالٰى عَلَيْهِ وَآلِهٖ وَسَلَّم has said that:

"One who collects Zakat righteously for gaining the pleasure of Allah, is equivalent to Warrior (ghazi) until returning back his home. *(sunan Abi Dawood, kitab Al-khiraaj wal-imarat wal-fayi, baab fi-sa'aya 'alas-sadaqa, Al-Hadees 13629, jild-3, safha 235)*

So dear Islamic sisters! We should also make individual efforts for madani donation on our relatives and neighbors. Those fortune Islamic Sisters who are going to perform Umrah this year, make individual effort on them regarding madani donation before their departure. Do not make individual efforts on strange islamic sisters and na-mahram (marriageable men). Where you have gone for congregations of zikr-o-naat and bathing of deceased, contact them and make individual efforts on them. we can benefit Dawat-e-Islami by persuading others.

By the grace of Allah and attentions of Murshid (spiritual guide) if we are having honor to perform this madani work, lest under satan's deception, we may commit any mistake. At this critical moment, minor carelessness may not take us away from mercy of Allahعَزَّوَجَلَّ . So practice faithfulness, as Sayyiduna "Umar bin Khattab said that: "don't be deceive with prayers and fast of anybody, as one whether offers prayers and keeps fast but one who is not trustworthy is not pious." *(sho'ab-ul-Iman)*

Remember! Forgiveness and indulgence is in one's own belongings. But such mistakes which affect Madani activities or Madani donations of Dawat-e-Islami, e.g. embezzlement in donations then by whom pardon will be asked? As donations is not owned by any responsible or nigraan then how can he or she forgive it? If so happen then beside repenting from this sin, amount of embezzlement would also be paid him/ herself.

Hazrat Adi Bin Umair رَضِیَ اللہُ تَعَالٰی عَنہ states that Holy prophet has said that: "when somebody is made collector, and he hide even needle or less then it, so it is Treachery, which he will bring on judgment day." In explanation of this hadees, Hakeem ul immat Mufti ahmad yar khan naemi رَحمَۃُ اللہِ تَعَالٰی عَلَیہ states that: means treachery whether minor or major, causes disgrace and punishment on judgment day, particulary treachery in zakat is treachery in worship, it makes deprived to deserving people. Allah says: وَمَنْ یَّغْلُلْ یَاْتِ بِمَا غَلَّ یَوْمَ الْقِیٰمَةِ **translation:** ***"And whoever hides it, will bring what he hid with him on the day of resurrection"*** (Kanz-ul-emaan Aal-e-Imran 161/3).

So let's make intentions that "Whatever sort of madani donation we'll receive as zakat, fitra, Sadaqah etc. we'll handover to our Responsible Islamic sister with honesty and will refrain from deceiving in doing this madani work. For this all Islamic sisters should read thoroughly the book of Ameer-e-ahl-e-Sunnat named "Question and answers about donations."

Listen attentively this madani pearl about collecting Madani donations that donation in case of currency note should be checked at spot, terminated or expired condition note should not be received.

Prayer of Attar! "Who make utmost struggle for collecting donations, Ya Allah he/ she may not die before seeing Madina."

May Allahعَزَّوَجَلَّ grant us the privilege of collecting and timely submitting to responsible Islamic sister with sincerity and abiding by the commandments of Shari'ah. Sayyiduna Anas Bin Malik رَضِیَ اللہُ تَعَالٰی عَنہ has stated that the Prophet of mankind, the Peace of our heart and mind, the most Generous and Kind has said, 'Man's fast remains suspended (i.e. hanging) between the earth and sky unless Sadaqah-e-Fitr is paid.'

Now listen different scales of Sadqa-e-fitr: 3.840 kg of raisins, barley or dates or the money equivalent to the value of this, or 1.920 Kilograms of wheat or its flour or the money equivalent to the value of this much wheat is the amount of one Sadaqa-e-Fitr. (equal to any one from these could be paid as Sadaqa-e-Fitr)

Remember! This amount varies from country to countries and cities, also varies from time to time. So it would be calculated as own area. one should not calculate according to other's area. Who is blessed by wealth by Allh, should pay according to their status and earn more Reward from Allah. اِنْ شَآءَ اللّٰہعَزَّوَجَلَّ

(make this announcement from second week of Ramazan to last week)

اَلحَمدُلِلّٰہِ رَبِّ العٰلَمِین وَالصَّلٰوۃُ وَالسَّلَامُ عَلٰی سَیِّدِالمُرسَلِین اَمَّا بَعدُ فَاَعُوذُبِاللّٰہِ مِنَ الشَّیطٰنِ الرَّجِیم بِسمِ اللّٰہِ الرَّحمٰنِ الرَّحِیم

Horrific scene of grave!

Once Amir-ul-Muminin, Sayyiduna ‘Ali كَرَّمَ اللّٰہُ تَعَالٰی وَجْہَہُ الْکَرِیْم went to a cemetery in Kufa to visit graves. Seeing a newly-prepared grave, he desired to get to know of its internal state, so he implored اللّٰہ عزوجل humbly, ‘Ya اللّٰہ عزوجل reveal to me the condition of the deceased buried in this grave.’ Immediately, all the veils between him and the deceased were lifted. What he saw was a horrific scene; the deceased was

being burnt in fire and screaming out for help from Sayyiduna ‘Ali (كَرَّمَ اللّٰہُ تَعَالٰی وَجْہَہُ الْکَرِیْم)! “I am drowned in fire and I am burning in fire. The dreadful scene of the grave and the screams of the deceased person saddened Sayyiduna ‘Ali كَرَّمَ اللّٰہُ تَعَالٰی وَجْہَہُ الْکَرِیْم. He lifted his hands in the court of his Merciful اللّٰہ عزوجل and began to pray with utmost humility for the forgiveness of the deceased. A voice from Ghayb echoed, ‘O ‘Ali(كَرَّمَ اللّٰہُ تَعَالٰی وَجْہَہُ الْکَرِیْم)! Do not intercede for him as he used to disrespect Ramadan in spite of fasting, he did not refrain from committing sins even in Ramadan, he used to fast during the day but would indulge in sins at night.’

Listening to this voice, Sayyiduna ‘Ali كَرَّمَ اللّٰہُ تَعَالٰی وَجْہَہُ الْکَرِیْم became even more sad; he prostrated and began to cry. (With tears in his eyes) he said, ‘Ya Allah! Please accept my supplication, this man has called out to me for help with high hopes,O Creator do not disappoint me in front of him, have mercy on him and forgive this helpless man.’ Sayyiduna ‘Ali كَرَّمَ اللّٰہُ تَعَالٰی وَجْہَہُ الْکَرِیْم continued to pray in the court of اللّٰہ عزوجل He then heard a voice say, O Ali (كَرَّمَ اللّٰہُ تَعَالٰی وَجْہَہُ الْکَرِیْم)! We have forgiven him for the sake of your grieved heart.’ The man was then relieved of punishment. *(Anis-ul-Wa’izin, pp. 25)*

The people who fast but then put the honor of Ramadan aside and indulge in unlawful activities such as playing chess, cards, ludo, video games, films, dramas, listening to music, to shave bear or trim it, not offering Salah, lie, backbiting, the above mentioned parable has lesson.

﴾1﴿ If anyone commits a sin during the month of Ramazan, اللّٰہ عزوجل will ruin his one year’s (good) deeds.

﴾2﴿ ‘My Ummah will not be disgraced as long as it fulfils the rights of Ramadan.’ He was asked as to what was meant by the disgrace of Ummah in this matter, he replied, ‘Committing sins in this month.’ He has further stated, ‘If anyone fornicates or drinks alcohol in this month اللّٰہ عزوجل and all His angels curse him, if he dies before the next Ramadan he will not have a single virtue to save him from the fire of Hell. So fear (اللّٰہ عزوجل) Concerning Ramadan. As the reward of good deeds is increased in this month compared to other months, the severity of sins also increases.’ (Mu’jam ;aghir, vol. 9, pp. 60, adiš 1488)

Dear Islamic brothers! Tremble with fear! Don’t waste the blessed moments of Ramadan in sinful activities. As rewards for virtuous actions are increased in this month the nuisance of sins is also increased. One who fornicates or drinks alcohol in Ramadan is so unfortunate that if he dies before the next Ramadan he will not have a single virtue to save him from the fire of Hell. Remember! The fornication of the eyes is to misuse them (by looking at Na-Mahram women etc.) and that of the hands is to touch a woman (or an attractive young boy with lust),

Dear Islamic brothers! Don’t be hopeless from mercy of اللّٰہ عزوجل, Doors of Rahmat are open, repent heartily and leave committing of sin. For saving yourselves from sins, please join the Madani environment of Dawat-e-Islami and accompany the devotees of Rasul in Madani Qafilah to acquire knowledge of Sunnah.

Note! Read thoroughly the book of Ameer-e-Ahl-e-Sunnat named “Faizane-e-Sunnat” it is comprised of hundreds of blessings and shara’I rulings in quite simple form.

Who is Entitled to Take Zakah?

Shariah has set a particular financial level for a person to be entitled to Zakah. The wisdom in it is that those leading their lives in extreme destitution would be helped out. Exclusive of debt and all such wealth[1] being used in [the fulfillment of] Hajat-e-Asliyyah [bare necessities of life], the conditions for a person to be entitled to Zakah [i.e. Shar'i Faqir] include the following. It is also a precondition for him not to be a Hashmi or Sayyid.

1. He must not possess 7.5 Tolas of gold. [One Tola is equivalent to 11.664 grams].
2. He must not own 52.5 Tolas of silver.
3. He must not possess the amount equivalent to the price of 52.5 Tolas of silver. For instance, on 13 Sha'ban-ul-Mu'azzam 1432 AH, 16 July 2011, the cost of 1 Tola of silver is 1200 PKR [in Pakistan] and thus the amount of 52.5 Tolas of silver is 63000 PKR. Therefore, he must not have as much amount as computed in the instance [i.e. 63000].
4. Equivalent to the foregoing amount of 52.5 Tolas of silver, he must not have any sort of Mal-e-Nami [for example, merchandise, prize bonds[2] etc.]
5. Equivalent to the same amount as stated above, he must not also have things surplus to bare necessities of life such as extra furniture, house decorating items.
6. If he possesses gold or silver in the quantity less than the one stated above, but he has such other things, along with gold and silver, which are considered and counted in rendering a person Malik-e-Nisab, so the added up total value of all such things will be considered in this case. If the added up total amount of all things is equivalent to the foregoing amount of 52.5 Tolas of silver, such a person is not also entitled to Zakah. For instance, a person has prize bonds worth 10000 PKR, 5000 PKR in cash and 1 Tola of gold whose present worth is almost 49500 PKR. When added up, the total amount of all these things reaches 64500 PKR, and the person who owns holdings to this extent is not entitled to take Zakah. Therefore, Zakah cannot be donated to him.
7. Likewise, if the amount of gold he possesses is less than 7.5 Tolas but its value is equivalent to the value of 52.5 Tolas of silver, such a person cannot take Zakah. Currently, for example, the price of just 1.5 Tola of gold is more than that of 52.5 Tolas of silver. [Therefore, if a person possesses 1.5 Tola of gold, he will not be entitled to take Zakah in this case].

Madani Pearl

If a person himself is not entitled to Zakah but his children whether boys or girls, who have reached the age of puberty, are entitled to Zakah or his wife is entitled to Zakah, so Zakah can be donated to them [such children and wife of his].

[1] In the subcontinent, the word 'committee' is also used in the sense of an agreement among a fixed number of individuals, called committee members, who all pay an equal amount of money each month, and the total amount deposited by all members is given to only one member each month either by a lucky draw or one by one in a predetermined order. This continues until all members get their full money back.

Schedule of Ae'tikaf (last ten days)

Ramazan-ul-Mubarak(۱۴۳۶/2015)

For Islamic Sisters

Islamic sisters should perform Ae'tikaf within their house in Masjid-e-Bayt. No any Islamic sister is permissible from Madani Markaz to perform Ae'tikaf outside her house.

Excellence of Durood:

Shaikh-e-Tareeqat, Ameer-e-Ahl-e-Sunnat, founder of Dawat-e-Islami Hazrat Allama, Maulana abu-Bilal Muhammad Ilyas Attar Qadri Razawi Ziyai دامت برکاتہم العالیہ quote this Hadees in his booklet "Ziya-e-Durood-o-Salam" at page no 4 that: "Recite Durood on me wherever you are, as your Durood reached to me".(Al-mujam-ul-kabir vol-3. Pg82, Hadees 2729)

صَلُّوْا عَلَى الْحَبِيْب صَلَّى اللّٰهُ عَلٰى مُحَمَّد

Ae'tikaf of Islamic sisters

Shaikh-e-Tareeqat, Ameer-e-Ahl-e-Sunnat, Hazrat Allama Maulana Abu-Bilal Muhammad Ilyas Attar Qadri Razawi Ziyai دامت برکاتہم العالیہ quote in his marvelous book "FAizan-e-Sunnat vol-1 onpg 1248:

Sayyiduna Aisha Siddiqah رضی اللہ تعالی عنہا narrates: "The prophet of Rahmah, the Intercessor of Ummah صلی اللہ تعالی علیہ وآلہ وسلم would do Ae'tikaf in the last ten days of Ramadan until his (apparent) demise took place, and then his chaste wives used to do Ae'tikaf."(Saheeh Bukhari pg 664, vol 1, Hadees 2026)

Islamic sisters should also do Ae'tikaf

Islamic sisters should also gain the privilege of doing Ae'tikaf. The modest Islamic sisters usually spend their time at homes because wandering around the streets and markets in the state of immodesty (without a veil) is a trait of the shameless women. So it is probably not so hard for modest Islamic sisters to do Ae'tikaf, and even if it seems slightly difficult, it does not matter, Ramadan doesn't come every day, and it's only a matter of ten days. Islamic sisters do Ae'tikaf in their Masjid of Bayt (details will follow). Masjid of Bayt is a very small space and therefore it reminds them of the grave, if sitting in one corner of the house despite the presence of daughters, sons and other relatives in hard, how will you be able to spend thousands of years alone in your grave, if اللہ عزوجل and his beloved Prophet صلی اللہ تعالی علیہ وآلہ وسلم are displeased with you, if you do Ae'tikaf in your house for ten days and if اللہ عزوجل gets pleased with you due to its blessing, all the veils between your grave and Madina-tul-Munawwarah may be lifted. Therefore, every Islamic sister should gain the privilege of doing Ae'tikaf at least once in their lives.

Twelve Madani Pearls for Islamic Sisters

(1) Islamic sisters can perform Ae'tikaf in Masajid of Bayt only, not in the Masjid. The Masajid of Bayt is the portion of the house that a woman specifies for Salah. It is Mustahab for Islamic sisters to specify a particular area of their homes for offering Salah and to keep it clean and pure, it is better that this area be a little raised like a terrace. Islamic brother should also specify a particular place in their homes for offering their Nawafil at home.(Durr-e-Mukhtar, Radd-ul-Mukhtar p494, vol-3)

(2) If in Islamic sister has not specified a particular place in her home for Salah, then she can not perform Ae'tikaf. However, if she specifies a place for Salah at the time of intending to do

Ae'tikaf she can do it within that specified area. (Durr-e-Mukhtar, Radd-ul-Mukhtar p494, vol-3)

(3) An Islamic sister can not do Ae'tikaf in someone else's house.

(4) It is not permissible for a wife to do Ae'tikaf without her husband's permission. (Radd-ul-Mukhtar p494, vol-3)

(5) If the wife has started Ae'tikaf with her husband's permission but the husband wants to prevent her later on (during the Ae'tikaf), he can not do so. If he does, it is not Wajib for the wife to obey him.(Fatawa A'lamgiri pg 211 Vol-1)

(6) It is also a prerequisite for Islamic sisters not to be experiencing menses or post natal bleeding because it is Haram to offer Salah, fast and recite the Holy Quran in this state. (Radd-ul-Mukhtar p494, vol-3) (Fatawa A'lamgiri pg 211 Vol-1)

The maximum period of post natal bleeding is 40 days and 40 nights. If the bleeding continues even after 40 days and nights, it indicates an illness. Therefore, Islamic sister should take ritual bath and start offering Salah and fasting.

A common misconception amongst Islamic sisters is that they assume that post natal bleeding period is (always) forty days, whereas this is not correct. The shara'i ruling is that even if the bleeding stops within a single day, or even if it stops immediately after the delivery, post natal bleeding will be considered to have ended in this case and thus the Islamic sister should perform Ghusl and start Salah and fast.The minimum period for menses is three days and nights while its maximum period is ten days and nights. As soon as the bleeding stops after three days and nights Islamic sister should do Ghusl instantly and start offering Salah and fast. (There are details for married women, they should read part-2 of Bahar-e-Shari'at). If the bleeding continues

even after ten days and nights, it is an illness. Therefore, as soon as ten days and nights pass, Islamic sister should do Ghusl and start offering Salah and fasting.

(7) Before starting the Sunnah Ae'tikaf Islamic sisters should consider whether their menses is going to start during the last ten days of Ramadan or not, if menses may start they shouldn't start the Ae'tikaf.

(8) If a woman experiences her menses during Ae'tikaf her Ae'tikaf will become invalid. (Bada'i-us-Sana'i pg 287 vol-2) in this case, it is Wajib for her to make up for the only day her Ae'tikaf became invalid.(Radd-ul-Mukhtar pg 500 vol-3)

After attaining ritual purity from menses, she should do Ae'tikaf for one day with the intention of Qada. If some days of Ramadan are still left, she can make up for it in Ramadan as well, in this case the fast of Ramadan will be sufficient. If she doesn't want to make up for it in Ramadan or Ramadan had ended when she attained purity, then she can do it any other day except on Eid-ul-Fitr and from the and from the 10^{th} to the 13^{th} of Zul-Hajjah because fasting in these five days in Makrooh-e-Tahrimi. (Durr-e-Mukhtar ma Radd-ul-Mukhtar pg 391 vol-3)

The method of Qada

The method of Qada is to enter the Masjid of Bayt at sunset (it is safer to enter a few minutes before sunset) with the intention of making up for the invalidated Ae'tikaf and remain there until the sunset of the next day. Fasting is a condition for this Qada.

(9) It is not permissible to leave the place of Ae'tikaf without Sahar'i needs. Islamic sisters cannot go to any other portion of the house either. Ae'tikaf will become invalid if they do so.

(10) The rulings which apply to Islamic brothers regarding leaving the place of Ae'tikaf also apply to Islamic sisters. In other words, Islamic sisters can leave the place of Ae'tikaf for the same needs for which Islamic brothers are allowed to come out of the Masjid. Likewise, they are not allowed to leave their place of Ae'tikaf for the acts that men aren't allowed to leave the Masjid for.

(11) During Ae'tikaf, Islamic sisters can sew and knit staying in their place of Ae'tikaf. They can also instruct others to do household chores but they cannot leave the place of Ae'tikaf.

(12) During Ae'tikaf, it is better to focus completely on reciting the Holy Quran, Zikr, Salat-'Alan-Nabi, Tasbihat, religious studies, listening to cassettes of Sunnah Inspiring speeches, madani muzakaray, watching Madani Channel and other acts of worship. Avoid spending time in other activities unnecessarily.

Schedule is prepared according to Madani In'amaat. The underlined words are Madani In'amaat.

Intentions for Ae'tikaf: Ameer-e-Ahl-e-Sunnat, founder of Dawat-e-Islami Hazrat Allama Maulana Abu-Bilal Muammad Ilyas Attar Qadri Razawi دامت برکاتہم العالیہ quote this Hadees of Mu'jam Kabeer in his book "Faizan-e-Sunnat(Vol-1) at page number 1191that: Nabi-e-Kareem narrates that:

نِيَّةُ الْمُؤْمِنِ خَيْرٌ مِّنْ عَمَلِهٖ

The intention of a believer is better than his deed.

The great reward of Ae'tikaf can further be multiplied just by the addition of good and beneficial intentions.

Ameer-e-Ahl-e-Sunnat, wrote "Intentions for collective Ae'tikaf" in his marvellous book "Faizan-e-Sunnat". Some of them are presented with necessary amendments for Islamic sisters:

1. I shall follow these Madani principles of Tasawwuf (mysticism):
 a. Less eating
 b. Less speaking
 c. Less sleeping
2. I shall reply to every Azan.
3. Each time I shall recite the Du'a of Azan with Salat-'Alan-Nabi before and after it.
4. I shall perform all five daily Salah
5. within Mustahab time,
6. and with Khushu(humility) and with khuzu(fear of اللہ عزوجل in the heart)
7. I shall perform the Nawafil of Tahajjud.
8. Ishraq, 9.Chaasht and
10. Awwabeen everyday.
11. I shall recite the Holy Quran and
12. Durood abundantly.
13. I shall recite or listen to the recitation of Surah Mulk.
14. For learning religious knowledge
15. I shall listen to Sunnah inspiring speech and Live Madani Muzakaray.
16. I shall perform Salat-ut-Tasbih at least in the odd night.
17. Making individual efforts, I will make my relatives and visitors attend the Sunnah Inspiring Ijtima (congregation).
18. I will apply the Madani guard on my tongue and on my eyes. In other words, I shall refrain from idle speech and, if possible, I shall do even necessary conversation by writing and gestures in order to avoid useless and evil speech. I will converse with lower my eyes instead of looking straight at them.
19. I shall apply Madani guard on my stomach. In other words, I shall eat less than appetite.

20. I shall do Fikr-e-Madina and fill in my Madani In'amat booklet every day and the card of Mustaqil Qufl-e-Madina too.
21. I shall make Du'a for myself, my family, relatives and the whole Ummah.

A Mu'takif must enter the Masjid with the intention of performing ae'tikaf before the sunset on the 20th of Ramadan. If he enters the Masjid even a single moment after the sunset, the Sunnah of performing the ae'tikaf of the last ten days of Ramadan will remain unfulfilled.

Evereday before Fajr: Get up 60 minutes before Fajar, fold back bedding or mat of palm leaves and after getting bath etc, with righteous intentions perform Sunnah of Sehri. During eating read يَا وَاجِدُ at every bite.(Card containing righteous intention can be bought from Maktaba-tul-Madina written by Ameer-e-Ahl-e-Sunnat for this purpose).

After sehri perform wuzu with the intention of remaining in the state of wuzu (ablution) all time and perform Nafl prayer of Tahiyyat-ul-wuzu and Tahaj'jud.

Invocation to be recited Daily: Daily recite some invocations(Auraad) from Shajrah such as Istighfar 70 times, لَا اِلٰہَ اِلَّا اللہ 166 times, مُحَمَّدٌ رَّسُوْلُ اللہ 3times and Durood Shareef 313 times, with closing your eyes for 12 minutes. (you can imagine view of Gumbad-e-Khazra [Green tomb]). At the time of Azan discontinue talking, walking, picking up and putting down things, cooking food, talking on the phone, and halt all other activities to respond to the Azaan.(Make it your daily practice for whole life)

Offer Fajar prayer with Khushu (humility) and with Khuzu (fear of اللہ عزوجل in the heart). After Salah make Du'a with appropriate manner of raising hands for forgiveness, entrance in Jannah of your parents, teachers and peer-o-Murshid. Do the same in every Salah(prayer). Also perform Sunnah prayer and Nafl (supererogatory) prayer.

After Fajr (30 min): Recite Quran for 30 minutes. You can recite or listen to 3 verses of the Quran from Kanz-ul-iman (with translation and commentary tafseer)(if you find difficult to read Khaza'in-ul-Irfan then you can read the "Noor-ul-Irfan" commentary written by Mufta Ahmed Yaar Khan. It is easy to understand. Beside this book "Sirat-ul-Jinaan vol-1 & vol-2 could also be recited) After Ae'tikaf correct Quranic pronunciation can be learn by joining Madrasa-tul-Madina (adult Girls' class). Make intention to recite Quran with correct pronunciation at least once.

After sunrise for almost 22 minutes keep reciting Litanies, Durood, reciting Quran or reading religious book and then offer Ishraq and Chasht. After offering Nafl take rest for appropriate time.

Qufl-e-Madina: As you are in ae'tikaf so act upon these Madani In'amat for guarding the tongue and eyes from sins. Such as: use the minimum amount of words in your necessary conversation and through signs, or writing. Make it habbit to lower your gaze while conversing instead of looking straight at them. (for this purpose, acting upon "Mustaqil Qufl-e-Madina card is quite beneficial). Besides the use of terms from Istelahat (terminology) of Dawat-e-Islami, make efforts to correct pronunciation, upon needlessly uttering words, feel remorse and make amends by reciting Durood and Istighfar.

For ethical improvement: Refrain from joking around, being scarcaten, laughing out loud (cachinnating), hurting someone's feelings. Make efforts for making bhabbit to converse formally and respectfully and to refrain from bother others to repeat themselves despite understanding, intruding into other's conversation, accusing others, name calling, cursing, swearing, borrowing and using other people's beloniging, asking irrelevant and needless questions that would provoke other people to lie and commit a

major sin, ostentation(show off) by uttering phrases that profess humbleness and modesty, whereas the heart was not in a state of conformity to these virtues, and from watching movies, programs and listening to music.Also make efforts to make habbits of responding to Salam, responding to another person reciting الحمد لله upon sneezing by saying یرحمک الله in a tone audible to both parties. (respond to a non-Mehram[marriageable man] with a tone audible to ourself), reciting ان شاءالله when intending to render righteous acts, reciting الحمد لله علٰی کل حال when anybody asks about health instead of whinning and complaining, reciting ماشاء الله/ بارک الله upon observing the favours of الله عزوجل and repenting immediately after committing a sin.
